If the Insured is injured as a direct result of Loss covered under Section 1, and this results in permanent disability which necessitates vehicle modifications (such as hand controls), either to an Insured vehicle or to the Insured's private Vehicle, Section 1 covers the reasonable cost of these modifications.

However, Lloyd's is only liable in excess of any amount payable by the Accident Compensation Corporation, and its total liability will not exceed \$5,000 for any one Accident.

- (b) the unavailability of data or reduction in the functionality, availability or operation of hardware, software and embedded chips; or
- (c) any business interruption Losses resulting therefrom.

Provided that this exclusion shall not apply where such Loss or damage occurs as a direct result of physical damage which is otherwise covered by this policy and any such Loss or damage will be settled in accordance with the policy conditions and sum insured limits.

SANCTION LIMITATION AND EXCLUSION

No (re)insurer shall be deemed to provide cover and no (re)insurer shall be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose that (re)insurer to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America. LMA3100 15 September 2010

CLAIMS CONDITIONS

A CONDITIONS FOR SECTION 1

1. Minimise the Loss

If there is a claim under Section 1, the Insured:

- (a) must take prompt steps to minimise the Loss and to prevent further Loss, and:
 - (i) if the Insured Vehicle can be driven safely and without causing further Loss, take it to any repairer, or otherwise have it towed to the nearest suitable repairer or tow-yard; and
 - (ii) as soon as possible inform Lloyd's and complete and return a Lloyd's claim form; and
- (b) is responsible for the payment of the deductible to the repairer.

Note: No repairs should be carried out until Lloyd's surveyor/assessor has examined the Insured Vehicle and approved any repair work, unless Lloyd's has agreed otherwise.

2. Progress payments

If a claim under Section 1 is covered, Lloyd's will make progress payments to the Insured. The Insured must supply interim statements that are approved by Lloyd's assessor.

B CONDITIONS FOR SECTION 2

1. Notification and conduct

If there is a claim, or possible claim, under Section 2 the Insured must, as soon as possible, notify Lloyd's to obtain, complete and return a claim form. The Insured must forward any relevant correspondence and court documents to Lloyd's as soon as possible.

The Insured must not, without the written consent of Lloyd's:

- (a) incur any expense in making good any Loss to the property of others or incur any legal expense;
- (b) make any statement or take action which may be considered to be an admission of liability;
- (c) negotiate, pay, settle, admit or repudiate any claim made by another person.

Lloyd's has the sole right to act in the Insured's name to defend, negotiate or settle the claim as it sees fit, at its expense.

2. Settlement option

Lloyd's has the option to pay to the Insured the full amount of Lloyd's liability under Section 2, or any lesser amount for which the claim can be settled, plus defence costs incurred to date.

Lloyd's will then give up the conduct of the defence or proceedings. Lloyd's will not be liable for any further costs or expenses after this.

C CONDITIONS APPLICABLE TO BOTH SECTIONS OF THE POLICY

1. Additional information

The Insured, and any other person covered under this policy, must:

- (i) agree to be examined under oath by a person named by Lloyd's whenever reasonably required;
- (ii) supply any information or documentation that Lloyd's reasonably requires;
- (iii) authorise the disclosure to Lloyd's of any personal information about them held by other parties, which is relevant to the claim or this policy.

2. Notification to authorities

The Insured must notify the police immediately in respect of Loss or liability as a result of theft, illegal conversion, arson, malicious damage, or Bodily Injury to any person.

3. Subrogation

Once Lloyd's agrees to indemnify the Insured, it may exercise for its own benefit any legal right of recovery the Insured has in connection with the claim.

Lloyd's will do this at its own expense, but the Insured must cooperate fully.

4. Waiver of subrogation (group companies)

Where the Insured is a parent or subsidiary in a group of related companies, Lloyd's waives any right of recovery it may have against any other company in the same group.

A 'subsidiary' means a company with more than half the nominal value of its equity share capital owned by a parent company, either directly or through other subsidiaries. A 'group of related companies' means a group of companies related to one another by virtue of such ownership.

GENERAL CONDITIONS

1. Alteration

This policy was arranged on the basis of the information supplied to Lloyd's by the Insured. If any of the information changes during the Period of Insurance which:

- (a) increases the nature of the risk covered; or
- (b) alters the nature of the risk covered;

the Insured must tell Lloyd's as soon as the Insured becomes aware of the change.

Examples of changes are:

- (a) modifications made to the Insured Vehicle (excluding conversion to LPG or CNG);
- (b) a change in the use of the Insured Vehicle;
- (c) a change in the physical ability of any Driver;
- (d) criminal convictions.

2. Cancellation

This policy may be cancelled by the Insured at any time by notice in writing to Lloyd's. Lloyd's will refund to the Insured any unexpired premium already paid on a pro rata basis.

Lloyd's may also cancel this policy by letter to the Insured either delivered personally, posted or facsimiled to the address last known to Lloyd's. Cancellation will be effective from 4.00pm on the 30th day after the day the letter is delivered, posted or faxed.

3. Compliance

It is a condition precedent to Lloyd's liability under this policy that:

- (a) the information given by the Insured, and anyone on the Insured's behalf, in connection with this policy and any claim is true and complete; and
- (b) the Insured, and anyone else covered under this policy, has complied with its terms.

4. Diligence

The Insured must take all reasonable steps to protect the Insured Vehicle from Loss and to avoid liability.

There is no cover if the Insured is reckless or grossly irresponsible.

5. Fraud

If the Insured, or anyone else covered under this policy, is dishonest or fraudulent in any way in connection with a claim, Lloyd's may, at its option:

- (a) decline part or all of the claim; or
- (b) elect to treat the policy as unenforceable by the Insured, and anyone else covered, from the date of the dishonesty or fraud.

6. Goods and Services Tax

The Market Value of any Insured Vehicle is exclusive of GST. For example, Lloyd's will settle a claim for total Loss up to the maximum amount insured by this policy, plus GST.

However, in respect of any deductible, policy limit or sub-limit within any policy extension, the amounts shown are inclusive of GST.

7. Governing law

The law of New Zealand governs this policy, and the courts of New Zealand have exclusive jurisdiction.

8. Headings

Headings used in this policy are for reference only. They do not form part of the policy and are not to be used as an aid to interpretation.

9. One contract

This policy and the Schedule are one contract. The proposal or written submission by the Insured is incorporated in it.

10. Other interested parties

If there is any mortgagee, debenture holder, hire purchase company, conditional purchaser or other party with a financial interest in any

Insured Vehicle which has been notified to Lloyd's, Lloyd's may, at its option, pay any claim under Section 1 of this policy to the interested parties in the order of their legal priorities, and to the extent of their financial interest.

However, Lloyd's total liability will not exceed the amount it would have paid to the Insured.

11. Other insurance

If at the time any claim arises under this policy there is any other insurance covering the Loss or liability, this policy will only apply in excess of the other insurance, even if there is a similar insurance condition in the other insurance policy.

12. Several insurance

If more than one person or entity is insured under this policy, they are insured separately as though a separate policy has been issued to each. However, this will not increase Lloyd's total liability under this policy.

13. Sums insured

All values of Insured Vehicles stated in the Vehicle Schedule must represent, as nearly as possible, their Market Value. Values such as book value, depreciated cost, written down value and residual value are not sufficient to comply with this policy condition.

In the event of a claim Lloyd's may require the Insured to provide schedules of Insured Vehicles showing their book value, depreciated cost, written down value or residual value in the Insured's business records.

14. Total Loss

If a claim for an Insured Vehicle is paid as a total Loss (or constructive total Loss), the cover on that Insured Vehicle ceases entirely from the date of the Loss and no premium will be refundable for the unexpired Period of Insurance in respect of that Insured Vehicle.

The Insured Vehicle then becomes the property of Lloyd's.
